

Step 1)

Enter ATD and hit save (red box will appear)

The screenshot shows the Fairwater Port Activity Log interface. A red error message box at the top right states: "ATD can not be entered due to TBA terminal/berth!". Below the message are buttons for "CREATE MESSAGE" and "ADD PORT LOG ITEM +". The main table has columns: From, To, Linked..., Berth, and Remarks. A row is visible with "02/09/202" in the From column, "ATD" in the Linked... column, and "Remarks" in the Remarks column. The interface includes a sidebar with navigation options like Dashboard, Agent Whiteboard, Audit Port Call, Agent Tools, Admin, Crew Management, Service WorkQueue, and Feedback. The Windows taskbar at the bottom shows the date as 10:39 AM 3/3/2020.

Step 2)

Scroll up, click the terminal drop down and just click tba again

The screenshot shows the Fairwater Port Activity Log interface, specifically the "BERTH & CARGO" section. At the top, there are input fields for "ETD" (02/27/2020 13:00) and "ATD" (MM/DD/YYYY HH:MM). Below these are buttons for "NEW TERMINAL+" and "NEW BERTH+". The main table has columns: Terminal, Berth, Commodity, ETB, ETC, and ETD. A row is visible with "TBA" in the Terminal column, "TBA" in the Berth column, "OWNERS ITEMS ONLY" in the Commodity column, "02/19/2020 16:00" in the ETB column, "02/20/2020 06:00" in the ETC column, and "02/20/2020 13:00" in the ETD column. The interface includes a sidebar with navigation options like Dashboard, Agent Whiteboard, Audit Port Call, Agent Tools, Admin, Crew Management, Service WorkQueue, and Feedback. The Windows taskbar at the bottom shows the date as 10:43 AM 3/3/2020.

Step 3)

Scroll back down, select ATD and hit save again. Now it will work. I just sailed it for the 9th. Not sure what date it actually sailed but you should be able to updated now.

The screenshot shows the Fairwater Port Activity Log interface. The left sidebar contains the Fairwater logo and a navigation menu with items: Search Port Call, Dashboard, Agent Whiteboard, Audit Port Call, Agent Tools, Admin, Crew Management, Service WorkQueue, and Feedback. The main content area is titled 'PORT ACTIVITY LOG' and includes a 'CREATE MESSAGE' button and an 'ADD PORT LOG ITEM' button. Below these is an 'INSERT ROW' section with a table. The table has columns: Log Item, From, To, Linked..., Berth, and Remarks. It contains two entries: 'END OF SEA PASSAGE' with a date of 02/08/2020 05:00 and 'VESSEL SAILED' with a date of 02/09/2020 05:00. The 'Linked...' column shows 'ATA' for the first entry and 'ATD' for the second. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 10:43 AM on 3/3/2020.

Log Item	From	To	Linked...	Berth	Remarks
END OF SEA PASSAGE	02/08/2020 05:00		ATA		
VESSEL SAILED	02/09/2020 05:00		ATD
